Please indicate the session in which you would like to speak and send us the details of your presentation. We expect these to include:

- Session Title:** please express your take-home message, or key idea, in a single short sentence to capture attendees' attention.
- Session Overview:** please send us 5-6 bullet points summary of your session. We recommend using short, precise text.
- Learning Outcomes:** please explain what attendees can expect to receive from your proposed session.
- Format:** please decide what format and length your session will have. Options range from 30 minute interview to 2 hours workshop. Plan your session to allow for 5 minute Q&A time. Please select the format: 40 min case study / 1 hour workshop / 2 hours workshop
- Tags:** please send us 3-5 keywords that best describe your session content to further categorize your session for search.
- Target Audience:** please provide industry sectors and job titles of attendees you want to meet in the conference room. Who do you think would benefit the most from your session?
- Your role:** What would be your role within the session? Would you be interested to moderate a panel discussion? Would you be interested in the conference chairman role?
